License Terms and Conditions of GFZRNX - RINEX GNSS Data Conversion and Manipulation Toolbox for Scientific Partners[1]

Of the Helmholtz-Centre Potsdam – German Research Centre for Geosciences GFZ, a Public Law Foundation under the laws of the County Brandenburg, Germany, Telegrafenberg, 14469 Potsdam, Germany, VAT ID No. according to § 27a VAT Tax Act: DE 138407750, Mail: gnss@gfz-potsdam.de (hereafter "**GFZ**")

1. Scope of application

(1) These License Terms and Conditions ("**Terms**") apply for the contractual relation between **GFZ** and scientific users ("**USER**"). As scientific users are considered non-commercial users, which are typically publicly funded research institutes and universities when using the license exclusively for scientific research (non-routine) and/or educational purposes, or private users. Any commercial use, routine or operational use or service offer requests a separate license (License for Commercial Users).

(2) These Terms govern the USER's acquisition and use of GFZRNX - RINEX GNSS Data Conversion and Manipulation Toolbox software in executable form, any updates as well as the respective documentation/user Manual ("**Software**") as provided by GFZ as download on the website https://gnss.gfz-potsdam.de/services/gfzrnx ("**Website**").

2. Registration, Term of license, Termination

(1) The USER needs to register an account on the Website to be able to download the Software.

(2) As the license is personal and non-transferable, in case the USER requests licenses for several employees, additional accounts for each employee need to be registered.

(3) The scientific license runs for an indefinite period as long as the USER fulfills the requirement of being a scientific user. Extraordinary termination rights for important reasons remain unaffected. Especially GFZ has an extraordinary termination right in case of misuse by the USER or in case of GFZ changing the licensing scheme for the Software. Upon termination of the license for any reason, the USER must immediately destroy and stop using all copies of the Software (including purging all storage media on which such Software is installed or otherwise stored) and all of its component parts.

3. License Grant

(1) GFZ hereby grants the USER a personal, single-user, non-transferable, non-sublicensable, non-exclusive license to install and use the Software in executable form by the USER's employee as registered on the Website (see clause 2 (1)) on the USER's devices under USER's control in accordance with these Terms.

(2) The USER is responsible for ensuring that his device meets the requirements to work with the Software. The USER is only allowed to use the Software for his own internal business purposes.

(3) The USER is not permitted to:

- Copy, edit, alter, modify, adapt, translate or otherwise change the whole or any part of the Software except as expressly provided under this license,

- Permit the whole or any part of the Software to be combined with or become incorporated in any other software or create any derivative works,

- Decipher, decompile, disassemble or reverse engineer the Software, in whole or in part.

- Reproduce, copy, distribute, resell or otherwise use the Software for any commercial purpose other than its own business purposes; the USER is especially not allowed to sell or provide the Software or services based on the Software to third parties.

- Use the Software in any way which breaches any applicable local, national or international law. The USER especially agrees that the Software will not be shipped,

---

[1] Not scientific partners, but commercial users are companies or public institutions which bottom-line objective is not scientific research, but commercial results or services; the term "services" covers the use of GFZRNX as part of a recurring process chain, for example routine or operational use. Commercial users need to buy a commercial license.

transferred, exported, or re-exported into any country or used in any manner prohibited by the German Export Control Law or any other applicable export laws, restriction or regulations.

- Use the GFZ-trademark in any other way than citing or using the Software.

Any attempt otherwise to copy, modify, sublicense or distribute the Software is void, and will automatically terminate the USER's rights under this Agreement.

4. Intellectual Property Rights, Citation

(1) All copyrights, trademarks and all other intellectual property rights in and to the Software, including any modifications, updates and upgrades made hereto by GFZ and to all subsequent downloads of the Software by USER, are and shall remain the sole and exclusive property of GFZ.

(2) The USER agrees not to remove any copyright, trademark, proprietary rights, disclaimer or warning notice included on or embedded in any part of the Software.

(3) When the Software is used for generating results etc. for publication, the Software has to be cited as follows: *Nischan, Thomas (2016): GFZRNX - RINEX GNSS Data Conversion and Manipulation Toolbox. GFZ Data Services*. http://dx.doi.org/10.5880/GFZ.1.1.2016.002

5. Maintenance

From time to time, GFZ may make available new versions or updates of the Software via a website as download, if and when those new versions become available. Nothing in this Agreement shall oblige GFZ to develop such new versions or updates. Bug-fixes and new features are only supported for the GFZ-executable version of the Software. GFZ is free to terminate the maintenance any time.

6. No Warranty, Disclaimer

GFZ does not warrant that the Software will function without errors or interruptions. The Software is provided "as is" without warranty of any kind, either expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.

GFZ shall not be held responsible for the performance of or output obtained from the Software nor for any liability to any party arising out of use of the Software.

7. Limited Liability

(1) GFZ is liable for wilful misconduct and gross negligence. For slight negligence, GFZ shall only be liable in the event of breach of a material contractual obligation (cardinal obligation), the fulfilment of which is essential for the proper performance of the contract and on the enhancement of which the USER may regularly rely, as well as in the event of damage resulting from injury to life, limb or health or statutory liability.

(2) Any further liability, also for indirect and/or consequential damages arising out of the use or inability to use the Software (including loss of profit, loss of data or data being rendered inaccurately or losses sustained by you or third parties or a failure of the program to operate with any other programs), shall be expressly excluded.

8. Governing Law, Place of Jurisdiction

(1) This Agreement is governed by and construed and enforced in accordance with the laws of Germany. The application of the UN Sales Convention is excluded.

(2) The Parties shall try to solve disputes amicably. If an amicably solution is not possible and a mediation is not successful, the exclusive place of jurisdiction for all disputes arising out of or in connection with this contract shall be Potsdam, Germany.

9. Severability clause

Should individual provisions of this contract be or become invalid in whole or in part, the validity of the remaining provisions shall not be affected thereby.
